CHALLENGES & CHANGES AT UOVGG

We would like to inform our members and visitors of upcoming changes at UOVGG. As many of you are aware our membership has been declining, resulting in a major shortage of volunteers. We are also in the process of digitizing and downsizing our holdings and working on plans to relocate our library sometime in the future.

The recent illness of one of our most dedicated volunteers has forced the board to make the decision to reduce the UOVGG Library hours effective immediately.

New UOVGG Library Hours

TUESDAY & THURSDAY 1PM-3PM

Appointments outside these hours can be made

by contacting Phil Lehman at 613-735-2554.

There is a \$25 cash fee (or purchase of a UOVGG membership)

for openings outside of our regular hours.

We will do our best to maintain these library hours and to accommodate special requests but this will be dependent on the availability of volunteers. It may be a challenge over the summer months. We ask for your understanding.

Thank you
